Two Yellow Cards - Rule Clarification

A player receiving two Yellow Cards in a match, must automatically be issued a Red Card with the red card incident automatically referred to the judiciary.

The Yellow Cards and Red Card must subsequently be treated as separate matters.

The player's Yellow Card history reverts back to what it was prior to the match in which the two Yellow Cards and Red Card were issued.

For example - if the player's history was nil, the next yellow card would be his first, if two the next yellow card would be his third.
