### 2019 GOW Gates Training Only Registration Clarification 22/3/2019

Rugby Australia has arranged the Rugby AU Sports Injury and Liability Insurance Plan on behalf of our Member Unions, their Affiliate Unions, Clubs and Referee Associations. All participants (Players, Coaches, Officials) must be registered with the Rugby Australia in order to obtain coverage under the plan. All Clubs affiliated with Rugby Australia and/or the various Member Unions are automatically covered under the plan annually. Participation in the plan is compulsory for all Clubs competing in competitions managed by Rugby Australia and/or Member Unions, and a National Participant Insurance Levy is payable by participants upon registration.

New participants must register to their Club to obtain insurance coverage. Players have the option to register as the role of a 'Training Only Participant' where their Club hasn't opened up registrations yet, or they choose to register to this role irrespective of the Club opening up their registration types, or register for a different role for registration types opened up by the Club. In order to play in a competition match a 'Training Only Participant' must register as a player. A Training Only Participant can play in pre-season trial matches.

Returning participants that were registered in 2018, are still insured up until the end of February 2019. They have the option up until the end of February 2019 to register for 2019 or not. If they choose to register they can as the role of a 'Training Only Participant' as described above, or register as a player for registration types set up by the Club. They must be complete a 2019 registration for the role of either a 'Training Only Participant' or a 'Player' to be insured after the end of February 2019.
