

Central North Rugby Union Registrar's Report to 2018 AGM

Congratulations to all clubs for getting the new online self registration system to work. Particular thanks to Allison Faulkner from Pirates who volunteered to assist clubs who needed help. Thanks to all club registrars and other members who helped with player registrations and timely reporting of match results.

Advance notice that 'live' scoring is proposed to commence in 2019 with scores and player stats to be locked in by 6.00pm on game day.

Reminder - self registration out of season negates the need for player transfers to be cleared by clubs.

For 2019 two teams to 'volunteer' to transfer their home game v Barraba to the Gwydir ground. If no volunteer then I suggest a draw from a hat at the February Meeting.

For 2019 Easter falls during the season on 20th April and if the country championships are a designated bye the competition may have to commence on 30th March in order to have the Grand Final in mid September. A reversal of the 2018 H & A draw for 1sts and 2nds is assumed?
